Recommendations

Use the utypia basic shop to replace your manual order-process

Your customer can see and design the stamp-layout exactly

- more security to the customer to get the correct stamp
- less complaints and queries.

Your customers sees only the recommended retail prices
(no internal pricing between POS and RSM)

Order is passed on per email = no misunderstandings due to bad handwriting

Advantages to the Point-of-sale Partners

- New feature for customers
 - Design and sell custom rubber with Online Layout Preview
 - Competitive advantage
- Handling of custom rubber stamp orders easier
 - No manual passing on off the orders
 - No logo-handling (emails, CD)
 - Less queries
- Minimum effort to setup and maintain

Functionalities

- layout preview: includes automatic update
- templates and optimization functionality
- Bestseller and Cross Selling
- RSM receives email with order-data and BMP-Layout
